RCM Report

From: Shar S.

Subject: RCM

I regret to inform the Chain O' Lakes ASC that I will not be able to fulfill my commitment as RCM for the area. My work schedule on Monday nights; much like our traditions, is not negotiable. I am more than willing to represent the area at the May regional if that is what the body wants but I am not able to attend the asc meetings, we could however communicate via email. I will be at the regional anyway as I have a commitment to the region and the rsc continues to meet on the third weekend of every other month.

This has not been an easy decision for me to make and I am eternally grateful for the opportunities that being the RCM have provided for me. I am more than happy to share my experience with whomever takes on the commitment next.

Please let me know what the body decides.

ILS, Shar S.

Meets the 1st Monday of the month @ LHOB 7pm. Number of members attending: 6. Diana called and reserved pavilion @ Alexander springs. Could not get June 6th so event will be on June 13th. Diana made a flyer but could only print up 10 at the time. Will be able to make more w/in the week. We are attempting to put on this event w/o spending any seed money, so cost of pavilion and flyers is being donated by Activities members.

Web Page

Diana is still handling the web site. If anyone has anything they want changed/updated, please e-mail her @ AnisaKylaar@aol.com.

Open Floor Sharing:

Michelle L shared that Pam is the one in charge of scheduling LHOB meetings. She was not informed that COLA would like to use Monday evenings for service, so she had told the Spanish AA they could have the time slot. They came to an agreement that on the 2nd Monday of the month, we can have the building for Area. The other Mondays, if AA is there, we may hold meetings on back porch. As of now, we're waiting to see if the Monday night Spanish AA meeting grows, otherwise, we made have the time slot back.

Discussion about the 6:30 pm Unity meeting @ Hope&Recovery. There are 2 outside meetings who are both struggling for support, and we're asking members to support that facilities meetings. Would it be better to move the meeting time/night? Can we, w/ it being its own group? No conclusion but to leave it be.
